

First Missionary Church  
Cemetery Policy  
January 2010

1. Lots in the First Missionary Church Cemetery are available at the following rates: \$100 for active church members; \$400 for former members or relatives of active members; and \$600 for those having no official connection to First Missionary Church. Plots can be reserved with a minimum deposit of \$100.
2. The church shall make space available for burying ashes in 2ft. x 2 ft. sections within a plot (for a total of 12 available sections per plot). The fee for purchased ground to bury ashes will be \$100. The standard fee of \$50 paid to cemetery maintenance for marking correct burial locations will also apply.
3. The church will not require that all persons be buried in a vault (as it is not a State Requirement) when buried in our cemetery. Rather the decision will be left to family discretion.
4. The Church strongly advises that grave liners, a concrete box over the coffin, be used to prevent the graves from caving in.
5. The church will not allow planting of any permanent vegetation in the cemetery.
6. In the case of the family wanting to bury ashes in a plot they already own, the church will charge them the \$50 cemetery fee only.
